Hello Mr. Farasat:

Thank you for apprising me of this issue.

I just spoke with Officer Wecker regarding the situation, and we will see what we can do. In terms of a "stay away" order. That would have to be court ordered, and in relation to a criminal case filed. At this point, it does not look like an criminal charges have been filed against Carl.

While Officer Wecker is investigating the situation, please fee free to contact her, or the Police directly, if anything else occurs with Carl.

Thank you!
Nooshi

Hi Nooshi,

I am the property owner of a property on the southeast corner of Melrose & La Brea. I am also a board member of the Melrose Business Improvement Association where we had met.

We have been having a serious, chronic problem with a homeless gentleman known as "Carl" at the property, on the sidewalk and in the alley. He has exposed himself, blocked the sidewalk, harassed patrons of the bank, littered, smoked what seems to be drugs, openly drank alcohol and so on.

Officer Wecker suggested a "stay away" order. I'd like your help marshaling the resources of the city attorney's office. We've all tried numerous measures in order to help him while trying to address the problem. Nothing has worked. And, he is mostly based in the public right of way limiting my ability to act.

I have a new business opening soon at the building and it is an urgent matter.

Thank you in advance,

Daniel Farasat
